The Admin has access to the entire database.  
Admin can do the following:

- ~ Register Students
- ~ Register Staff
- ~ Register Subjects
- ~ Fill Transactions
- ~ Register Classes
- ~ Set Term Dates

← Back Logout

### Admin Dashboard

Student Registration	Staff Registration	Subjects
Transactions	Classes	Set Term Date

Admin can also **Edit** and **Delete** any field that has been saved before. Now since admin can do this, the admin has access to login as any Staff or any Student, all they need to do is copy and paste the login details where necessary.

In the '**Manage Records Section**' on the main admin page, there is a drop down to select any one of the six tables. After selection, Admin can use the '**Search**' or '**Sort by**' to find and filter records as they wish. Any record found can be edited or deleted under the 'Action' column in the Manage Records Section.
